

CASE HISTORY

Wastewater Treatment Plant – Samos Island / Greece

PROJECT: Wastewater Treatment Plant – Samos Island

DATE: April 2007

CONTRACTOR: HELECTOR S.A.

INDUSTRY: Wastewater Treatment Plant

LOCATION: Samos Island

PRODUCTS: Penetron, Penecrete Mortar

CASE SUMMARY:

Samos island is located in the eastern part of Aegean Sea. Due to the new European norm for wastewater treatment plants (one per 10.000 habitants) a decision for a new plant was taken by the authorities. Penetron waterproofing and protection system was chosen as the most appropriate for such an application. The consultant and the contractor asked the application to be made by an authorized and well trained applicator – contractor to secure best results.
